Administration of Homely Remedies

Homely Remedies are medicines and treatments that can be bought 'over the counter' from a pharmacy, without needing a prescription. The School Doctor has approved those shown below. Homely Remedies are stored in the Medical Room, Boarding Houses and held by Trip/Activity Leaders. Administration is by the House Staff, School Nurse, Trip/Activity Leader and identified First Aiders following approval from the School Nurse.

Homely Remedies available at StGIS consist of paracetamol tablets, anti-inflammatory gel, throat lozenges, nose spray for colds, herbal cough medicine, bite/sting relief gel, and anti-diarroheal probiotic agent. In addition, the School Nurse can also administer anti-diarroheal tablets, medicines for gastro-intestinal diseases, anti-allergy medication and looprufen.

I consent to my child receiving homely remedies.

Consent to Emergency Care (Including Anaesthetic)

StGIS will make every effort to contact parents in the case of a child requiring emergency medical or surgical intervention. In the event of parents not being reached, or an emergency where a decision to treat must be made immediately, the accompanying member of staff may be required to give consent for treatment, including an anaesthetic. The School will act In Loco Parentis in these emergencies. This covers all students (day and boarders) and extends to educational trips, visits and all School activities.

I authorise StGIS to give consent for emergency care for my child during their duration as a student at StGIS.
