Daily Programme

LEARN IN THE MORNINGS AND
CHALLENGE YOURSELF IN THE AFTERNOONS

At our Summer Camps in St. Gilgen, children aged 10–15 from around the world enjoy a unique mix of language learning, culture, and outdoor adventure in one of Austria's most beautiful regions.

Morning Learning Options

Summer Camp participants will attend 3 hours of classes per day for a total of 15 hours of instruction per week of focused language tuition in either English or German (levels A1 - B2). Alternatively, participants can choose classes in creative arts, sustainability, or robotics, coding and AI. Learning is designed to spark the students' curiosity and foster growth and confidence.

Afternoon Outdoor Activities

Our backyard is one of the most beautiful natural sports arenas in the world! Students will have the opportunity to explore water, mountain and rock sports in the Salzkammergut region.

Amongst the opportunities available are hiking across the mountains, rock climbing

with spectacular views, paddle boarding and kayaking on the crystal blue lake, canyoning, biking, swimming, high ropes, cliff jumping and more. In addition, students have the option to select a focused activity such as golf, sailing, or horse riding.

Cultural Activities

Discover the rich cultural heritage of St. Gilgen and the surrounding region. Explore sites connected to Mozart, Gustav Klimt, and Marie von Ebner-Eschenbach while experiencing the history, art, and beautiful landscapes of the area. Salzburg is just a short trip away, as are attractions such as the salt mines and ice caves of the Dachstein.

Digital Detox

To promote personal wellness, engagement and the building of meaningful connections, phones are collected during the day and returned in the evening (20:30–21:30).

Morning Learning Options

LANGUAGE LEARNING | CREATIVE ARTS
ROBOTICS, CODING & AI | SUSTAINABILITY

Campers can choose one of four engaging morning options: Language Learning (German or English), Sustainability, Robotics, Coding & AI, or Creative Arts. Whether developing their language skills, finding solutions for a greener planet, exploring smart technology or learning to code, they gain real-world knowledge and develop creative, future-ready skills in a fun, collaborative environment.

Through hands-on projects, interactive workshops, and creative challenges, campers gain practical insight into their chosen transformative area. For all of our morning options, students attend 3 hours of classes per day for a total of 15 hours of instruction per week.

Supplement Fees

- included in standard fee: Languages (Camps I, II & III)
- 200 € surcharge: Sustainability (Camp I)
- 400 € surcharge: Robotics Coding and AI (Camp II)
- 400 € surcharge: Creative Arts (Camp III)

** sibling discount 10 % (applies to the standard camp fee only; supplementary fees are not included in this offer)*

Language Learning

10th - 23rd JULY | 24th JULY - 6th AUGUST | 8th - 21st AUGUST

Daily English or German Classes

We offer English and German lessons from beginner to upper intermediate (levels A1 – B2) in a fun and active classroom environment.

Personalised Language Learning

Learning a new language will open a window to intercultural understanding and help develop critical thinking skills. Students will also have the opportunity to apply their learned language to real world situations. This is a truly fun way to explore language learning and Austria at the same time.

Expert Teaching, Confident Communication

The language lessons will be delivered by highly skilled instructors, with an emphasis on communication and conversational skills.

Beyond the Classroom

In the afternoons and on weekends, campers can choose either the outdoor adventure option for a chance to try out a range of activities such as climbing, water sports, wilderness exploration and canyoning or the focused activity groups (sailing, horse riding, golf), developing resilience, confidence, and new skills in a supportive environment.

Sustainability

10th - 23rd JULY

Calling all young changemakers!
We invite you to join us for an activity-rich, project-based summer camp with a difference. Together campers imagine, invent and create a way to understand the endless possibilities that sustainable futures can offer. Through engaging and collaborative activities 5 mornings per week, this unique camp offers a playful yet insightful approach, empowering young people through positive envisioning. Prerequisites B1 level English or B2 level German.

Perhaps you want to design a fabulous net-zero city where all can thrive, or maybe you're an urban gardening guru. Or is future fashion or the political agenda more up your street? We offer projects with links across the Sustainable Development Goals, ranging from sustainable aviation fuels and AI to guerilla campaigning and climate justice and beyond.

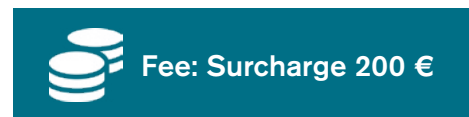

Led by an experienced environmental educator, this camp invites young people to explore the complexities of sustainability,

seek possible solutions and turn ideas into action through hands-on, creative activities.

Beyond the morning programme, campers join our Outdoor Adventure or Sailing Camps in the afternoons. These specialised experiences provide exceptional opportunities to develop new skills, cultivate resilience, and gain confidence — all within a safe, supportive, and expertly guided setting.

Robotics, Coding & AI

24TH JULY - 6TH AUGUST

Step into the future with our Robotics, Coding and Artificial Intelligence (AI) Camp. This hands-on programme introduces campers to the exciting world of science, technology, engineering, and math. With a special focus on the power of robotics, coding and Artificial Intelligence, Campers spend 5 mornings a week, 3 hours a day gaining hands on experience in:

- Robotics: Build and program robots to solve real-world challenges.
- Artificial Intelligence & Machine Learning: Learn how AI is being used throughout our modern-day world, and how to teach a machine to learn.
- Coding & App Design: Create apps, games, and interactive projects with beginner-friendly coding platforms.
- Engineering Challenges: Design, test, and improve STEM projects using creativity and problem-solving skills.
- And more cutting edge experiences!

enjoy problem-solving, and want to explore how AI and STEM are shaping the future. No coding experience is necessary; beginners and advanced coders are welcome.

Beyond the morning programme, campers join our Outdoor Adventure, Golf or Horse Riding activities in the afternoons. These specialised experiences provide exceptional opportunities to develop new skills, cultivate resilience, and gain confidence — all within a safe, supportive, and expertly guided setting.

Creative Arts

8TH - 21ST AUGUST

Our Creative Arts option offers an immersive introduction to the world of visual art. Students explore a range of artistic media and techniques — from painting and drawing to ceramics and sculpture — using the school's dedicated art studio as their creative workspace.

Through practical, hands-on sessions, students learn the fundamentals of composition, colour, texture, and form. In addition to sessions in the art studio, students also get the chance to explore the spectacular region with landscape painting sessions outdoors.

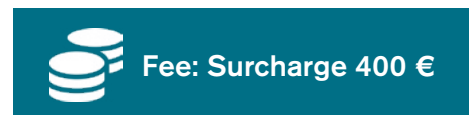

By the end of camp, students will have created a collection of original artworks across different media, developed a stronger understanding of artistic techniques, and gained the confidence to continue exploring their creativity. It's not just a camp — it's a space to discover, experiment, and develop as an artist.

Open to beginners and young artists with previous experience, this camp welcomes anyone with a passion for creativity. Students receive personalised guidance from a professional instructor and practicing artist with a PhD in artistic practice and 20 years' teaching experience.

Beyond the morning programme, campers join our Outdoor Adventure or Golf activities in the afternoon. These specialised experiences provide exceptional opportunities to develop new skills, cultivate resilience, and gain confidence — all within a safe, supportive, and expertly guided setting.

Outdoor Adventures

10th JULY - 23rd JULY | 24th JULY - 6th AUGUST | 8th AUGUST - 21st AUGUST

At our classic Outdoor Adventure Camp, children aged 10–15 from around the world enjoy a unique mix of language learning, culture, and outdoor activities in one of Austria's most beautiful regions.

Afternoon Outdoor Adventures

Campers take part in hiking in the mountains, climbing, kayaking, paddle boarding, biking, swimming, cliff jumping, canyoning and more across the Salzkammergut region. Activities are organized in small groups (max. 8 students) to ensure everyone participates safely and confidently.

Cultural Discovery

Campers dive into Austria's rich cultural heritage — exploring Mozart's family home, the Habsburg's Imperial Villa in Bad Ischl, Klimt's Attersee, and Ebner-Eschenbach's summer residence. Possible excursions include Salzburg, the Dachstein ice caves, and historic salt mines, offering hands-on cultural learning.

Choice Days & Flexibility

Afternoons feature rotating activity groups so everyone experiences each sport. Towards the end of camp, students can revisit favourite activities or try advanced levels. Thursdays are "Choice Days" — options include horse trekking, sailing/windsurfing, archery, or MTB/cycling. (Programme may vary depending on weather or group dynamics.)

Campers can also choose their morning learning option for a truly personalised camp experience.

Sailing

10TH - 23RD JULY

Whether beginner or advanced, campers will have the opportunity to learn the theory of sailing and further develop their sailing skills on the idyllic Mondsee Lake for six afternoons, 3.5 hours per afternoon, over the course of two weeks.

Campers will learn the basic knots, wind directions, how to sail in strong winds, what to do in light winds and how to prepare the boat for sailing. Campers conclude the camp with the Grundschein Exam (basic sailing license). After completing the exam, they will

be able to sail the boat by themselves and instruct their co-sailors. The Grundschein allows students to rent sailing boats up to 14 sqm worldwide. Advanced sailors even have the opportunity to study and train for the BFA Binnen exam (the official Austrian sailing certificate required for regatta sailing).

When not on the water sailing, the campers join in with the rest of the outdoor activity programme and can choose between Language Learning and Sustainability classes in the mornings.

Horse Riding

24TH JULY - 6TH AUGUST

Whether a beginner or advanced rider, campers will learn and develop their riding skills during the 10 afternoons horse riding on camp. St Gilgen International School and Summer Camp work in partnership with Educating Winners of Tomorrow (EWOT) Academy to provide the ultimate equestrian experience expertly led by award winning young competition riders.

The sessions are tailored to each riders needs through fun, goal setting and video analysis. Beginners start with one-on-one lounge lessons whilst experienced riders

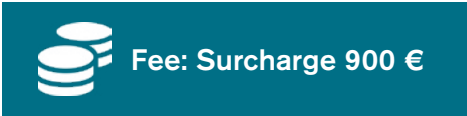

can work on their dressage, gymnastics and jumping. When not on a horse, riders will learn how to care for them and prepare them for riding.

Riders have the option to work towards their riding badges during the camp. The examination and awards celebration takes place on the last day of camp and parents are welcome to attend.

In the mornings, campers can choose between Languages and Robotics, Coding and AI.

Arrivals & Departures

EVERYTHING FOR A SMOOTH CAMP START AND FINISH

With parents / friends / family

Parents are welcome to bring their children to our camp themselves and get a feel for the village, school and its surroundings. Campers should aim to arrive in St Gilgen between 10 - 11am on arrival day and collect their children between 13:00- 14:00 on departure day. (Please note: departure for the Sailing camp is at 17:00) If it is not possible for you to arrive or depart during these times, please contact our office in advance. The exact arrival address will be emailed out in the welcome email a few weeks before the start of the camp.

Salzburg Train Station

If your child is traveling alone or with a friend, we will be happy to pick them up directly at the train platform in Salzburg. Tickets for the train ride need to be organized independently.

The collection service from / to the train platform must be booked at least a month in advance. Please note that the transfer from Salzburg leaves at approximately 11:30, so the arrival should ideally be between 10:00 and 11:30. For return trips, the train should not leave before 14:00 and not after 16:00.

We regret that should the train be significantly delayed, extra costs for an individual transfer to the camp may be incurred.

Salzburg Airport

On the day of arrival your child will be met in the arrival hall by a member of the camp team and taken care of from this point. On departure day, children are taken to the airport and escorted to security.

Please note that we only guarantee collection before 12pm on arrival day and drop off after 13:00 on departure day. Outside of these times collection / drop off may not be possible, or incur an additional charge. Please contact us asap and we will endeavour to help you.

Munich Airport

On the day of arrival, your child will be met in the arrival hall by a member of the camp team and taken care of from this point. All arrivals need to be between 10.30am - 15:00. On departure day, children are taken to the airport and escorted to security. The return times to the airport are 12:00 – 19:00, so flights would need to depart between 15:00 and 19:00.

—▽—
"EVERY GREAT ADVENTURE BEGINS
WITH A WARM WELCOME AND
ENDS WITH CHERISHED MEMORIES."

For airport departures only

If your airline requires you to book an Unaccompanied Minor Service for your child, please note that a €50 surcharge applies. This fee covers the cost of assigning a dedicated member of our staff to remain at the airport with your child until their flight has safely departed, adding to your piece of mind. Airport collections must be **booked at least 1 month in advance.**

For all flights – parents are responsible for ensuring that all paperwork or unaccompanied minor services are correctly booked and paid for. The camp can only offer a pick up / drop off service and cannot accept responsibility for flights missed due to incorrect paperwork or outstanding fees at the airport.

Boarding and Pastoral Care

A HOME AWAY FROM HOME

All Summer Campers stay in one of our Boarding Houses, where houseparents and boarding staff provide care and support throughout their stay. We limit our camp size so that our staff can build genuine connections with each child, creating a warm, supportive and family-like environment where campers feel cared for, and excited to return year after year.

Our charming student accommodation

St. Gilgen International School has three lovely boarding houses, which are former village hotels, each near the centre of the village. Our boarding houses are for all ages, thereby creating a family atmosphere and a

genuine home away from home. All student bedrooms are en-suite equipped. Boys and girls live on separate floors in the boarding house and each child shares a room with one to two other children of the same gender.

Health and nutrition

Summer Camp students enjoy a range of healthy menu options in our unique catering environment using excellent local restaurants and caterers. We serve Austrian cuisine as well as a range of international dishes, and all our meals are made from fresh local ingredients. Salads, vegetables and fruit are freely available.

"OUR BOARDING HOUSES CREATE
A FAMILY ATMOSPHERE THAT IS
SAFE AND RELAXING."

How to Apply

APPLICATION INFORMATION

Application form

The number of places on the St. Gilgen International Summer Camps is limited. The application form and further information can

be found at www.stgis.at/camps, or please scan the QR code. If you have any questions, get in touch by email at camps@stgis.at.

Fees include

The standard fee includes accommodation, linen and towels, all meals, language teaching, supervision, course materials, all excursions, sports, outdoor activities, entertainment, and personal liability and accident insurance. The supplement fees include instruction, transportation and materials for the additional morning learning and afternoon activity options.

Programme expectations

In line with our St. Gilgen International School ethos we have high expectations of our Summer Camp students and in return Summer Camp participants experience excellence.

- Summer Camp participants should always act as Summer Camp ambassadors, with their behaviour reflecting this role.
- Summer Camp participants are expected

to show tolerance and respect at all times.

- Any action which offends against common sense or good manners is a breach of Summer Camp expectations.
- Inappropriate contact between participants is not allowed.
- Summer Camp participants are not allowed to use or be in possession of illegal drugs, cigarettes or alcohol.

Code of conduct

All Summer Camp participants and their parents will be required to read, understand and sign a code of conduct policy when they register for Summer Camps 2027.

Conditions of acceptance

To make a booking you need to submit a completed application form and transfer the 500 Euro non-refundable, non-transferrable down payment immediately, with the full amount required at least one month before the start of the camps.

A confirmation email will be sent of the down payment being received, and another email with joining/arrival instructions including a packing list a few weeks before the start of the camp.

"AN IMPORTANT PART OF EDUCATION IS TO ENCOURAGE STUDENTS TO TAKE PERSONAL RESPONSIBILITY."

FAQ

FREQUENTLY ASKED QUESTIONS

—▽—
"WE WELCOME ALL LEVELS OF
LANGUAGE ABILITY, FROM BEGINNER TO
BILINGUAL."

1. Where will my child sleep?

In our boarding houses. Houseparents live in the same accommodations and are on hand 24 hours a day. Boys and girls reside on separate floors of the boarding houses.

2. Is there a laundry service?

Students have full access to washing machines and staff are available to assist. However there are a limited number of washing machines, so where possible we encourage students to bring enough clothes for the 2 weeks

3. What should my child bring?

A few weeks before the start of the camp, and once full payment has been received you will receive an email containing joining instructions from the Camp Coordinator. This will contain a packing list, pocket money guidance and suggestions of what your child should and should not bring, as well as any other information you may need to know.

4. What happens outside class?

Children benefit from fully structured days from wake-up to lights out. Our experience shows that campers and parents prefer this schedule. Each day includes some free time so those who wish can spend quiet time in the house, call home, catch up with friends, or go in small groups to buy snacks in the village.

5. What is the camp's mobile phone and electronics policy?

While we allow campers to bring mobile phones to contact family, we have a strict usage policy to encourage social interactions and engagement in the outdoor activities. Phones are collected nightly at 21:30 and returned the next day after evening activities around 20:30. If your child wishes to contact you outside these hours, they can do so from our office under staff supervision. Though this may seem daunting, we've found that limited phone access helps children engage better with the camp and each other, creating lasting memories.

6. How can I communicate with my child?

Before the start of the camp you will be emailed a contact number for the Summer Camp boarding team where you will always be able to reach a member of the house team who will be able to assist you if you need to urgently contact your child. However, due to the busy nature of the camp, the best time to reach your children is from 20:30- 21:30 every day.

7. Will my child require health or travel insurance?

Yes. All campers must have either a valid EU Health Insurance Card or private health/travel insurance. Please note that the camp cannot cover costs for medications, doctor visits, or hospital care required due to illness or injury.

8. Will my child require a visa?

The responsibility for all visa arrangements (where required) rests solely with the parents of the child. We will provide supporting visa paperwork where necessary.

9. Are all the activities safe?

We have qualified and professional instructors and teachers for all activities who are local and familiar with the area. Details of risk assessments for activities can be shared with parents upon request.

10. Will my child always be supervised?

The village of St. Gilgen is extremely safe, so we allow campers limited unsupervised free time in small groups to buy snacks or souvenirs. They must inform us when and where they're going, who they're with, and their expected return time so we always know their whereabouts. During day trips to an amusement park and a shopping mall, campers must stay within set boundaries, remain in groups of three or more with a working phone and staff contact numbers saved. Regular check-in times with staff are established.

Our School

ENROLMENT OPEN FOR 2027 | 2028

Our school

St. Gilgen International School is a co-educational boarding and day school for children between the ages of 9 and 18. The language of instruction is English. StGIS is part of Cognita, an extraordinary family of diverse yet connected schools united by a single purpose: empowering students to thrive in a rapidly evolving world.

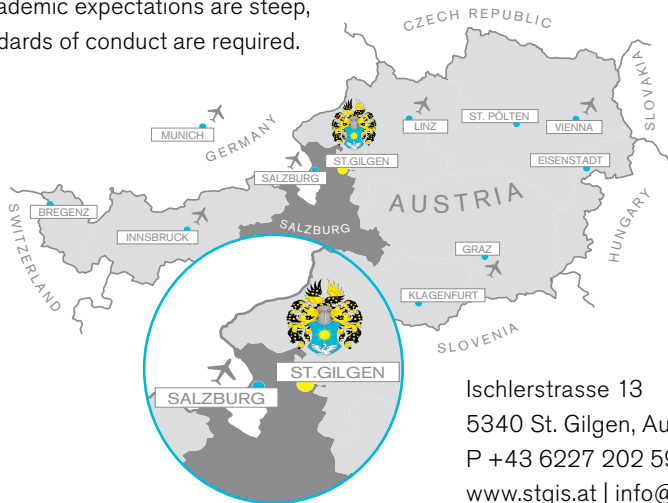

International education

Our school offers an international primary and middle school curriculum leading to the International Baccalaureate Diploma in the final two years. Academic expectations are steep, and high standards of conduct are required.

Our village campus

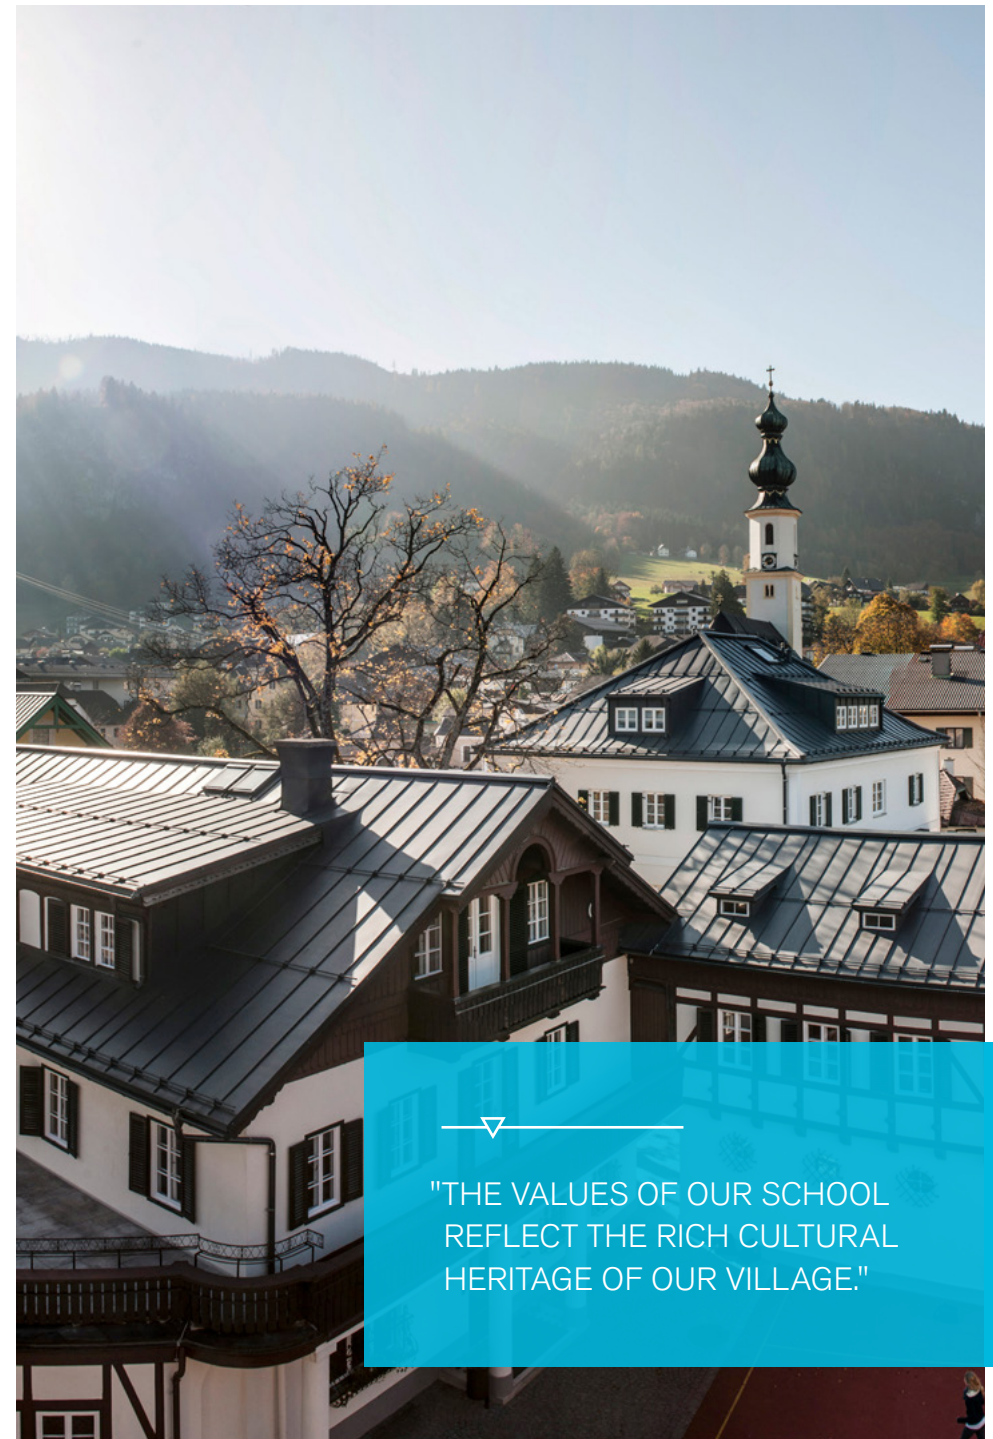

A unique feature of St. Gilgen International School is its idyllic setting and safe location in the stunning lakeside village of St. Gilgen on the shores of Wolfgangsee in the heart of Austria. The values of our school reflect the rich cultural heritage of our village.

Transportation links via the international airports in Salzburg, Munich and Vienna mean that access is straightforward from global destinations. In addition, Salzburg is served by an excellent European rail network.
