Saturday 14th November

Museum and free time in Salzburg

Mantelpiece Christmas Stockings-Art Activity

Climbing Indoors

These are the activities planned for the weekend, however there can be last-minute changes!

Calendar 2026/27

ACADEMIC CALENDAR 2026/27

We would like to invite you to our

Parent Community Cafe

with the

Mr Gould - School Counselor

Invited: Parents

When: 20th November 2026 at 13:30

Where: Conference room

Mathematics in Action

NOVEMBER'S MATHS ENRICHMENT OPPORTUNITIES FOR STUDENTS

November promises to be an exciting month for our mathematicians, with opportunities both to challenge themselves and to come together as a community.

On 19 November at 8:00am, seven students will represent the school in the CEMC Mathematics Contests. Open to all interested students when it was advertised earlier this term, the competition offers participants the chance to tackle engaging mathematical problems and put their problem-solving skills to the test. We would like to congratulate the students who have chosen to take part and wish them every success as they take on this exciting challenge.

Later that evening (7pm), our boarding students will come together for the annual Maths focused STEM Evening. Designed to celebrate curiosity, collaboration, and a love of learning, the event will provide an opportunity for students to engage with mathematical ideas in a fun and interactive setting while spending time with peers from across the boarding community. We hope it will be an enjoyable evening that inspires conversation, teamwork, and a deeper appreciation of STEM beyond the classroom.

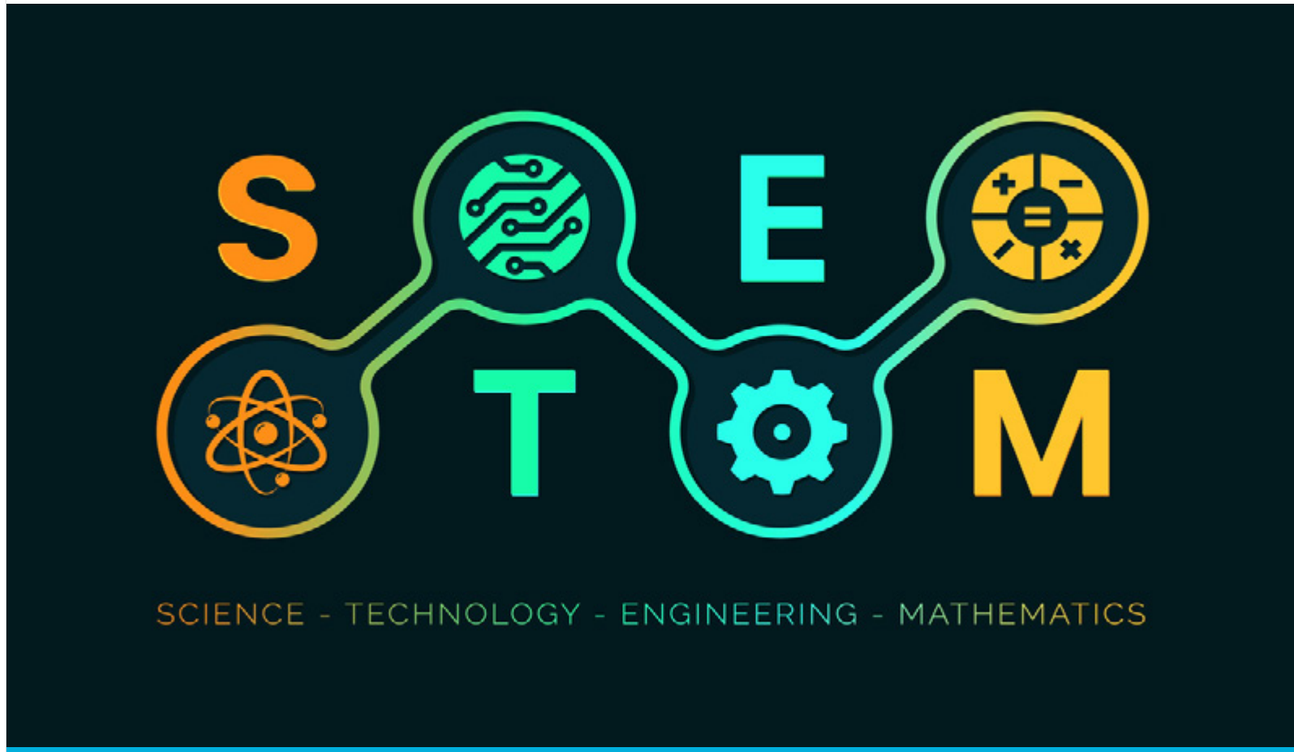

We wish our CEMC participants the very best of luck and look forward to welcoming our boarders to what promises to be a memorable STEM Evening.

MRS AMBIGAIBALAN
Head of Mathematics

Stem Evening

When: Thursday, 19th of November, 19:00-20:30
Where: Softspace 15

Ever wondered how science, technology, engineering and maths shape the world around us? Whether you're into technology, love solving problems, enjoy being creative or are simply curious about what's possible, there's something for you! Come along, try something new, challenge yourself and discover where STEM could take you.

"Everyone doing their part when the task is too great for one person alone. It means sharing hope as well as sharing the burden."

- Murat Kurum (COP31 President) -

Menu for the Week

VEGETARIAN/VEGAN AND GLUTEN FREE OPTIONS AVAILABLE.

MON 16th	Hotel Kendler	*Soup:* Clear beef broth *Main course:* Turkey Schnitzel with mushroom sauce; roasted potatoes, carrots; Potato and zucchini patties (V) *Dessert: Cake* *Salad bar* *Dinner:* Variety of grilled sausages, pommes frittes; Grilled cheese, vegetables (V)
